

eas europaean aquaculture society AQUACULTURE EUROPE 2026 - programme at a glance aquaculture europe 26														
This is a provisional programme and could be subject to change														
Sessions in shaded cells allow access for Trade Show visitors - all other sessions are for Full Conference registrants only														
Day/Time	Marmona 1	Marmona 2	Povodni 1	Povodni 2+3	Povodni 4	Urska 1+2	Urska 3	Urska 4	Stebrna	Gallery 1	Day/Time			
	Ground Floor	Ground Floor	First Floor	First Floor	First Floor	Second Floor	Second Floor	Second Floor	Floor -1	Near Kupola Hall				
Tue, Sep 29 9:00 - 10:00	Plenary 1 "Aquaculture - from Sustainability to Resilience" Jurica Jug Dujakovic, and AE2026 Student Spotlight Award MARMONA 1+2 STARTS 09:00										Tue, Sep 29 9:00 - 10:00			
10:30 - 12:30	Nutrition - Physiology & digestibility	Nutition - Alternative Ingredients	Training & lifelong learning Conservation & restoration	Environment - Microplastics, litter & ecotoxicity	Precision - Digital twins, modeling & AI	Shrimp & other crustaceans	Social Licence and Aquaculture Tourism	Allocating space for aquaculture Processing, packing and value	Polish Sturgeon Producers Association	Industry Forum	10:30 - 12:30			
14:00-17:30			Algae	Market & value chain economics			Welfare	Health Management - Biosecurity and Prevention (HIPRA)			14:00-17:30			
17:30 - 19:00	Happy Hour (17:30 - 19:00) Exhibition EAS General Assembly and Members' Reception (17:30 - 18:30) Room: Gallery 1 Student Reception (20:00 - 22:00)										17:30 - 19:00			
Wed, Sep 30 09:00 - 10:00	Plenary 2 "Breaking the Bubble: Making Aquaculture's Stories Go Global." Larissa Lewis and James Sibley.										Wed, Sep 30 09:00 - 10:00			
10:30 - 12:30	Nutrition: Functional Ingredients 1 (MIXSCIENCE AVRIL)	Nutition - Alternative Ingredients	Consumer studies	Integrating omic approaches	Selective Breeding & Genomics	IMTA	Welfare: IGNITION / Cure4Aqua	Health Management - Treatment and Monitoring	Emerging species in intensive systems	Innovation Forum	10:30 - 12:30			
14:00 - 17:30			Communicating Science			Emerging species in intensive systems	Welfare (cont)		Early life development		14:00 - 17:30			
17:30 - 19:00	Happy Hour (17:30 - 19:00) Exhibition RAZZMATAZZ (17:30-19:00) Stebrna Room Floor -1 AE2026 Presidents Reception										17:30 - 19:00			
Thur, Oct 1 09:00 - 11:00	Nutrition: Functional Ingredients 2 (BIONTE)	Offshore & multi-use	Nutrition - Insects	RAS - Water, solids, gas	Selective Breeding & Genomics	Environment - Biological threats & predators	Trout	Light and Aquatic Organisms	Other contributions	Environment - Monitoring, forecasting & indicators	Thur, Oct 1 09:00 - 11:30			
11:30 - 12:30	Plenary 3 "Towards Net Zero by 2050 and energy efficient EU aquaculture production." Callum Howard, AE2026 Climate Call for Action and AE2026 Poster Awards										11:30 - 12:30			
14:00 - 17:30	Nutrition: Functional Ingredients 2 (BIONTE)	Offshore & multi-use	Operations in aquaculture facilities	Precision - Sensors, robotics/ROV and control	Reproduction & Broodstock Management	Aquaponics	Nature based solutions & regenerative farming	Molluscs & other shellfish	Health & welfare management – Microbiome	Environment - Interactions	14:00 - 17:30
